**ITALIAN CUISINE  
& NEW ENGLAND FISH MARKET**

To Whom It May Concern:

G.F.G. Piero, Inc., owner of Piero's Italian Restaurant here in Las Vegas has purchased insurance from Kathy McDonald for the past thirty years. Mrs. McDonald is presently associated with Capstone Insurance.

We have been extremely pleased with the service provided to us by the Capstone firm, and have been very satisfied with their ability to continue to provide us with coverage that is unique to our business.

Piero's is a stand alone, 5 Star Restaurant. We have valet parking which requires particular coverage in itself. In addition, we require special coverage for the wine cellar, business interruption, food spoilage, etc.

In the current insurance market, Kathy McDonald and Capstone have been able to satisfy our needs for comprehensive coverage at a competitive rate.

Sincerely,

  
Rene Griffith, Comptroller
